It's 5 o'clock I think of you
Live my life without you and I'm feeling blue
I told you lies, love fades away
Oh, I love you baby but didn't say

It's 5 o'clock a lonely night
And I just remember we were side by side
I made mistakes, you went away
Now I know the words, I didn't say

How can I fall in love
With a blue eyed colored baby girl?
How can you tell me
We can't be together? Oh, no

The night is gone, I couldn't sleep
I saw the old videos, I'll always keep
Day in day out, I'm missing you
Is there a little chance, what I can do?

The night is gone, I watched a star
I have to face the future, oh you're so far
Some lies are true, can we stay friends
Tell me baby, when will I see you again?

How can I fall in love
With the girl with the golden hair?
How can you tell me
We can't be together? Oh, no

Oh, my God I [incomprehensible] 3:02

How can I fall?
(How can I fall?)
With a blue eyed colored baby girl
How can you tell me?
(How can you tell me?)
How can you tell me it's forever?
(How can you tell me it's forever?)

How can I fall?
(How can I fall in love?)

With the girl with the golden hair
(The golden hair)
How can you tell me
(We can't be together)
We can't be together?
(No)
Oh, no
