You were mend for me I'll give you love and ecstasy
Strangers on the shore I wanna play this game, no
more
But if you run with me babe to eternity
Baby I'm born again broken hearts can mend, tonight

My Charlene, Charlene, Charlene
I'm lonely, you're the only queen of hearts
My Charlene, Charlene, Charlene
I'm falling oh, I'm calling for your love, for your love

My Charlene you are like the flame of love
Soul survivor of my lost emotion
My Charlene, I'll never get enough
How my love is deeper than an ocean
Day time friends and night time love

Oh Charlene

If my heart could speak you hear I'm lonely and I'm
weak
There must be a way I love you more than words can
say
And if you run with me you can have my love for free
Come on the wings of love up in the sky above, tonight

My Charlene, Charlene, Charlene
I'm lonely, you're the only queen of hearts
My Charlene, Charlene, Charlene
I'm falling oh, I'm calling for your love, for your love

My Charlene you are like the flame of love
Soul survivor of my lost emotion
My Charlene, I'll never get enough
How my love is deeper than an ocean
Day time friends and night time love

Oh Charlene
Oh Charlene
Oh Charlene
Oh Charlene

Oh Charlene
Oh Charlene
Oh oh
