I know it's the worst part but I want you in my world  
I am a rapper and you are my my China girl  
I express myself so clear, I tell no lies  
I only live to see the China in your eyes

Behind the sun I found someone my China woman, oh  
no  
She's painting clouds, day in day out, my China girl,  
don't go  
Oh I can't, oh I can't, oh I can't ignore the way she looks  
to me  
Oh I can't, oh I can't oh, I can't give her more just my  
heart  
She is my destiny

She has China in her eyes, can't you see it?  
China in her eyes, can't you feel it?  
China in her eyes a secret smile  
Can't you see it's you and me, my China woman, oh no  
I miss you so, can't let you go, my China girl, don't go

Behind brown eyes, she's mystify, my China woman, oh  
no  
It's like a dream the moon turns green, my China girl,  
don't go  
I believe, I believe, I believe, I'll fly, I'm writing hearts to  
you  
And I wait and I wait, see a rose in the sky  
Take my heart, what have I got to do

She has China in her eyes, can't you see it?  
China in her eyes, can't you feel it?  
China in her eyes, a secret smile  
Can't you see it's you and me, my China woman, oh no  
I miss you so, can't let you go, my China girl, don't go

She has China in her eyes, can't you see it?  
China in her eyes, can't you feel it?  
China in her eyes, a secret smile  
Can't you see it's you and me, my China woman, oh no  
I miss you so, can't let you go, my China girl, don't go
