Title : Cry for you

Lost and by my self, all alone
Life can be so cold, sence you're gone
Haven't seen you for so long,
Feeling you're all wrong
And here, begging you, come home
Missing you, wanting you, come home

I cry for you, feeling lost and lonely
I cry for you, you're still the one and only
I die for you, hey I miss you so, I cry for you

Escaped from my lies, I had told
There was no reason why, I was such a fool
Finaly I lost your love, heart and soul
Here's to you, begging you, come home
Missing you, wanting you, come home

I cry for you, feeling lost and lonely
I cry for you, you're still the one and only
I die for you, hey I miss you so, I cry for you

I miss you like crazy baby
Come back stay with me
I never gonna give you up
My heart it breakes, you'll see

I cry for you, feeling lost and lonely
I cry for you, you're still the one and only
I die for you, hey I miss you so, I cry for you

I cry for you, feeling lost and lonely
I cry for you, you're still the one and only
I die for you, hey I miss you so, I cry for you

I cry for you
I cry for you
