Oh, my heart it's crying in the night for you
Oh, my God, oh, don't you feel like a fool?
You're fooling yourself with a millionaire
You think it's love but he don't care
And one of these days you're gonna be surprised

Diamonds never made a lady, lover or a friend
I know it
Diamonds never made a lady, all your dreams will end
I know it

Your Californian nights
Warm body held you tight was just a dream
But all the diamond lights
Can't give you peaceful lives or sweet dreams

Oh, my God, you really think you have it made
Your heart is won, with first class expenses paid
You drink champagne, eat caviar
A color TV in the back of your car
But one of these days you're gonna be surprised

Diamonds never made a lady, lover or a friend
I know it
Diamonds never made a lady, all your dreams will end
I know it

Your Californian nights
Warm body held you tight was just a dream
But all the diamond lights
Can't give you peaceful lives or sweet dreams

The Californian nights
Warm body held you tight was just a dream
But all the diamond lights
Can't give you peaceful lives or sweet dreams

The Californian nights
Warm body held you tight was just a dream
