Walk away, don't say goodbye
Turn around, don't let it die
Love will find a way to you
Feelings and emotions are just like stormy oceans

Can you stay the way you are
Heaven knows you come so far
Love will find a way to you
So promise me forever, there'll never be a never

Baby, don't, don't give up
If your heart is broken
Make a brand new start
Baby, don't, don't give up
Count to ten, start again

Don't give up, hold on tight, find the way, see the light
Don't give up, hold on tight, let your love make it right
Don't give up, hold on tight, don't let love out of sight
Then you'll never be alone

Need a friend do count on me
All the things in life for free
Love will find a way to you
Baby, keep on trying, love will keep on flying

Oh, you think you lost your way
Tomorrow is another day
Love will find a way to you
Shadows will be falling, dreams keep on calling

Baby, don't, don't give up
If your heart is broken
Make a brand new start
Baby, don't, don't give up
Count to ten, start again

Don't give up, hold on tight, find the way, see the light
Don't give up, hold on tight, let your love make it right
Don't give up, hold on tight, don't let love out of sight
Then you'll never be alone

Don't give up, hold on tight, find the way, see the light
Don't give up, hold on tight, let your love make it right
Don't give up, hold on tight, don't let love out of sight
