Don't let me go, little darlin'
No no no no no, little darlin'
Don't let me go, little darlin'
No no no no no, little darlin'

A lonely avenue
It's rainin' in my heart
Was your number girl?
Can I try a start
Without you?

I'm lonely as a cloud
When your love falls down
Make the sun keep shining
When you're just around
Oh I know

And whatever will be
I promise your love, forever my love

Don't let me go, little darlin'
No no no no no, little darlin'
Don't let me go, little darlin'
No no no no no, little darlin'
That I'm so in love with you

When the sun goes down
The world is in your hands
To the clouds we'll fly
Through the raibow's end
You and I

Only my shadow knows
Love is on my side
Fly around the moon
Just to hold you tight
Only you

And whatever will be
I promise your love, forever my love

Don't let me go, little darlin'

No no no no no, little darlin'
Don't let me go, little darlin'
No no no no no, little darlin'
That I'm so in love with you

Don't let me go, little darlin'
No no no no no, little darlin'
Don't let me go, little darlin'
No no no no no, little darlin'

Don't let me go, little darlin'
No no no no no, little darlin'
Don't let me go, little darlin'
No no no no no, little darlin'
