Don't make me blue
Don't make me blue

I can't forget moments of love
I'm not too old to dream, you're in my heart
I can't forget, these love and tears
Your make up was wet, turn back the years

Oh, I can't forget you babe
You know it's true
Oh, I can't forget you girl
We are more than two

Don't make me blue
When the sky is gray
And I wanna fly
With you night and day

Don't leave me here
Seas in my eyes
Don't let it end
My paradise

Oh, I don't care what people say
I'm walking through these walls, if that's my way
Like snow in June, love is hard to find
And I know for sure, this girl is mine

Oh, I can't forget you babe
You know it's true
Oh, I can't forget you girl
We are more than two

Don't make me blue
(Don't make me blue)
When the sky is gray
(When the sky is gray)
And I wanna fly
With you night and day

Don't leave me here
(Don't leave me here)

Seas in my eyes
(Seas in my eyes)
Don't let it end
My paradise

Don't make me blue

Don't make me blue
(Don't make me blue)
When the sky is gray
(When the sky is gray)
And I wanna fly
With you night and day

Don't make me blue
