Baby I swear, I'll never make you blue, mm
Baby somewhere, there is a star for you, oh my love
I promised you baby, forever my love
I promised you lady, the heaven above

So if you'll love me, for a life time
I will give you all my heart
Paintin' the clouds love, with your sunshine
Baby I will play my part, my part

Oh lady take care, I love you till I die, mm
And I'll be there, when ever you will cry, oh my love
I want you to want me, forever my love
I want you to want me, get never enough

So if you'll love me, for a life time
I will give you all my heart
Paintin' the clouds love, with your sunshine
Baby I will play my part, my part

I want you to want me, forever my love
I want you to want me, get never enough

So if you'll love me, for a life time
I will give you all my heart
Paintin' the clouds love, with your sunshine
Baby I will play my part

So if you'll love me, for a life time
I will give you all my heart
Paintin' the clouds love, with your sunshine
Baby I will play my part
