Oh baby, I swear, I'll never make you blue, mmh  
Oh baby somewhere, there is a star for you,  
Oh my love  
I promised you baby, forever my love  
I promised you baby, the heaven above

Chorus

So if you'll love me, for a lifetime  
I will give you all my heart  
Paintin' the clouds love, with your sunshine  
Baby I will play my part, my part

Oh lady take care, I love you til I die, mmh  
And I'll be there whenever you will cry, oh my love  
I want you, to want me, forever my love  
I want you, to want me, get never enough
