Do you wanna hear my story
I know it wasn't much of glory
Now I found someone to believe
It's you
You took my life
Coloured all my lonely days
And I'm so proud to hear you say

For always and ever - Take it from my heart
Take it from the start - For always and ever
We are strong together now

Love is a flowing of emotions
Two hearts are living through the motions
You will see nothing's tearing us apart
You took my life
Coloured all my lonely days
And I'n so proud to hear you say

Love can change your life forever
And you, you give me everything
Everything I need

For always and ever
For always and ever
