Dreams that money just can't buy  
You give away no try and now you're gone, is it  
forever?  
Love for me is not a game, don't play a trick again  
It's over now, is it forever?  
Don't hurt my heart

Oh, I thought you are the girl out of my dreams  
I'll be there for you, oh baby, now it seems  
You're the one who quit this love and let me go  
Is it over now, I have to know

Girl, oh, why you changed your mind  
There's a way we'll find, but why you're gone, is it  
forever?  
Love is looking through my eyes  
Don't leave this paradise, it's over now, is it forever?  
Don't hurt my heart

Oh, I thought you are the girl out of my dreams  
I'll be there for you, oh baby, now it seems  
You're the one who quit this love and let me go  
Is it over now, I have to know

Oh, I thought you are the girl out of my dreams  
I'll be there for you, oh baby, now it seems  
You're the one who quit this love and let me go  
Is it over now, I have to know

I have to know, I have to know
