Hey little baby, I don't wanna talk
I really like the way how you walk
I'll tell you no lies, I tell you the truth
That I'm hooked on you, baby
Oh, let me know, where we going girl
More and more you're in my world

I'll tell you no lies, I tell you the truth
That I'm hooked on you, my baby
Oh, I feel your heartbeat is true
And I'm so in love with you
Can't you feel the rhythm of love?
Baby, can't you see, just for me, heaven above?

I'm not guilty, baby, I'm not guilty for the moonlight
Tell me, tell me, baby, that it's your night
Baby show me heaven again, again
I'm not guilty, baby, I'm not guilty for the moonlight
Do you, do you, do you feel it tonight?
Oh, I wanna making good love to you

Hey little baby, are you alone?
It's not far, far from my home
I'll tell you no lies, I tell you the truth
That I'm hooked on you, my baby
Are you ready to play this game?
I show your love, it's not the same

I'll tell you no lies, I tell you the truth
That I'm hooked on you, my baby
Oh, I feel your heartbeat is true
And I'm so in love with you
Can't you feel the rhythm of love?
Baby, can't you see, just for me, heaven above?

I'm not guilty, baby, I'm not guilty for the moonlight
Tell me, tell me, baby, that it's your night
Baby show me heaven again, again
I'm not guilty, baby, I'm not guilty for the moonlight
Do you, do you, do you feel it tonight?
Oh, I wanna making good love to you
