Oh, I'm so much in love
I can't live without you
I'm so much in love
I always think of you

Oh, I'm so much in love
I can't live without you
I'm so much in love
I always think of you

Oh, can you hear, the sound of my tears?
We have dreams and we have fears
Oh, that's no way to say goodbye
Give me one more chance
For one more try

Let me be in your arms again
'Cause my love will have no end
Let me be in your arms again
Let us walk-in hand in hand

Oh, I'm so much in love
I can't live without you
I'm so much in love
I always think of you

Oh, I'm so much in love
I can't live without you
I'm so much in love
I always think of you

Oh why, oh why, your love can't stay?
Your turnin' night, into day
And when the night, falls from the sky
It's better babe, to have you by my side

Let me be in your arms again
'Cause my love will have no end
Let me be in your arms again
Let us walk-in hand in hand

Oh, I'm so much in love

I can't live without you
I'm so much in love
I always think of you

Oh, I'm so much in love
I can't live without you
I'm so much in love
I always think of you

Always think of you
Girl you know its true
How I must say you?

Now, anytime and anywhere
I see your face or I swear
I had your love, wisdom my eyes
Show me the way to my paradise

Let me be in your arms again
'Cause my love will have no end
Let me be in your arms again
Let us walk-in hand in hand

Oh, I'm so much in love
I can't live without you
I'm so much in love
I always think of you

Oh, I'm so much in love
I can't live without you
I'm so much in love
I always think of you
