City lights spinning in my head
Here comes the night and go to bed
I'm sitting here in that night cafe
My love won't go away

Never ending dreams of you
Lonely hours passing through
Still missing you
Where will you go, tonight?

Just like an angel, you are
Home at your heaven, you're my star
Just like an angel in the night
Ice in the fire melt in the light

Just like an angel waiting for you
Let me down easy like angels do
You're my angel, oh, call me
Give me high, high energy

I cross the streets, hear a telephone
Shadows dancing, still on my own
I'm sitting here in that night cafe
My love won't go away

Cafe is empty, the night goes by
A million stars shine in the sky
Still missing you
Where will you go tonight?

Just like an angel, you are
Home at your heaven, you're my star
Just like an angel in the night
Ice in the fire melt in the light

Just like an angel waiting for you
Let me down easy like angels do
You're my angel, oh, call me
Give me high, high energy

Just like an angel waiting for you
Let me down easy like angels do

You're my angel, oh, call me
Give me high, high energy
