Brooklyn, Brooklyn  
Party up, party up, Brooklyn  
Party up, party up, baby

I cannot sleep the night is young  
I cannot eat I want some fun  
I pick you up Route 66  
Life gives me the kick

I cannot live I love this life  
I cannot die, can I survive?  
I cannot breathe without your love  
I can't get enough

It's the last exit to Brooklyn  
New York City, oh is waiting  
He's a New York boy, he's a party guy  
Baby, let's dance and have some joy

West Coast, East Side, that is the place where  
New York, L.A., I want to live there  
New York City boy, L.A. party girl  
Baby, let's dance in a brand new world

4 6 0 1 East Avenue  
Why does my heart beats just for you?  
I cannot give you more I'll give  
Baby, please forgive

I cannot tell you thousand lies  
I have the love right in my eyes  
The night is young I want your heart  
Baby, can we start?

It's the last exit to Brooklyn  
New York City, oh is waiting  
He's a New York boy, he's a party guy  
Baby, let's dance and have some joy

West Coast, East Side that is the place where  
New York, L.A., I wanna live there  
New York City boy, L.A. party girl

Baby, let's dance in a brand new world

Party up, party up, party up, baby  
Party up, party up, baby  
Party up, party up, party up, baby  
Party up, party up, baby
