Life is too short, don't throw it away  
Hear what I say if you're lonely  
Stand up if you fall down  
Please look around, you're not the only

Life is too short, don't lose your time  
The sun will shine for your tomorrows  
You'll win if you don't lose  
Try it again, forget your sorrows

There is a chance  
Make the best out of your life  
But it's so tough  
Only the strong, they will survive

There are always some good reasons to live for  
Between the shadow there's a light you can't ignore  
Don't cry a little, little  
Cry a little, little tonight

Life is too short, don't throw it away  
Hear what I say if you're lonely  
Stand up if you fall down  
Please look around, you're not the only

Baby, baby, life is just too short, you can't run away  
Baby, let me be your soul survivor  
Life is just too short, baby, everyday  
Baby, I will lift you higher and higher

Nowhere to go  
You're always in my heart I swear  
Baby, I know  
If you need I'll be there

I will never ever leave you alone, oh, no  
And we have so many reasons to go, oh, no  
Don't cry a little, little  
Cry a little, little tonight

Life is too short, don't throw it away  
Hear what I say if you're lonely

Stand up if you fall down  
Please look around, you're not the only

Baby, baby, life is just too short, you can't run away  
Baby, let me be your soul survivor  
Life is just too short, baby, everyday  
Baby, I will lift you higher and higher

Life is too short, don't throw it away  
Hear what I say if you're lonely  
Stand up if you fall down  
Please look around, you're not the only

Baby, baby, life is just too short, you can't run away  
Baby, let me be your soul survivor  
Life is just too short, baby, everyday  
Baby, I will lift you higher and higher

And higher  
And higher  
And higher
