A broken heart, a pillow filled with tears
It was hot, babe, hot through all the years
Everybody needs someone to hold
Never thought that heaven can be cold

When you call me baby
I'll be there
A penny for your thoughts
Oh to care

Lonely tears in Chinatown
Are too danger, dangerous
You can have this love for free

Lonely tears in Chinatown
Are too danger, dangerous
If you're ready, go with me

His love is
D-d-danger
D-d-danger
You can have the best for free

His love is
D-d-danger
D-d-danger
Come on, take the rest of me

Tonight did what
It means to be so young
When two hearts are beating
Just as one

Our love can go a long, long way
There's nothing left for me to say
Nobody makes me crazy, like you do
Take the starts out of the sky for you
