Oh, love is no color, love is emotion
It's like heaven here to me
Love is the answer to all of our questions
Love is like eternity

I'll love you forever
And I miss your lonely heart
Can we stay together?
Oh, baby, don't you tear apart

My lonely girl
Oh, lonely hearts and lonely memories
You are my lonely girl
You are my destiny

My lonely girl, come hear my heart
I'll be only there for you
My lonely girl, we'll try a start
You are heaven, swear, it's true

Love is the reason that I'm living
Sometimes lonely, sometimes pain
Love is a stranger to all of our questions
Love is never be the same

Love is like an ocean
You can run but you can't hide
The greatest devotion
Baby, can't you see the light?

My lonely girl
Oh, lonely hearts and lonely memories
You are my lonely girl
You are my destiny

My lonely girl, come hear my heart
I'll be only there for you
My lonely girl, we'll try a start
You are heaven, swear, it's true

You're like an orchestra of angels
And I never, I never let you go

My lonely girl
Oh, lonely hearts and lonely memories
You are my lonely girl
You are my destiny

My lonely girl, come hear my heart
I'll be only there for you
My lonely girl, we'll try a start
You are heaven, swear, it's true
