Ohh, love is a mystery
(Marie)
Ohh, love is a mystery
(Marie)

She was the sister of Margarita, it was long long ago
And I told her that I need her so much, she wouldn't
know
And her brother was Juanita, he was a friend of mine
And I told him that I missing her but she has no time
And I said, "Marie amore, you're the girl I adore"

Love is a mystery with a L and an O and a V and an E
It's like history, with a L and an O and a V and an E

It's ending on the floor, in the heat of the night
With the hands in the air and I hold her tight
And the L and an O and a V and an E
I know this girl is a mystery

I drank a lot of cool Tequilas, should I go or should I
stay?
My heart told me I need her but I'm too shy to say
I drank a lot of Caipirinhas, I was walking like on air
And I told her that I love her, baby, on I swear
I said "Marie amore, you're the girl I adore"

Love is a mystery with a L and an O and a V and an E
It's like history, with a L and an O and a V and an E

It's ending on the floor, in the heat of the night
With the hands in the air and I hold her tight
And the L and an O and a V and an E
I know this girl is a mystery
