You are one in a million  
You are one in a million  
You are all of love my love  
You are everything for me

You are one in a million  
You are one in a million  
You caught me with your charms  
When you held me in your arms

Oh lonely life  
I hear your heartbeat deep in the night  
I need you so, now that I can't let you go  
Dim all the lights and let me hold you so tight  
The night is yours and mine, you're looking fine  
Just tonight

You are one in a million  
You are one in a million  
You are all of love my love  
You are everything for me

You are one in a million  
You are one in a million  
You caught me with your charms  
When you held me in your arms

Just like a child  
You're sometimes weak, sometimes you're wild  
You understand, sometimes I feel like a man  
Stay here tonight and let me hold you so tight  
You are the one for me, you are my dreams  
My reality

You are one in a million  
You are one in a million  
You are all of love my love  
You are everything for me

You are one in a million  
You are one in a million  
You caught me with your charms

When you held me in your arms

You are one in a million

You are one in a million
