Oh, anytime and anywhere
I'll give you all my heart I swear
And when your love begins to turn
I light the fire and it burns

Oh, all I want is everything
But I can't buy you diamond rings
But I will make your dreams come true
But one thing I don't wanna do

I don't wanna be your part time lover
I don't wanna play no silly games
Oh, don't tell me baby there's no other
I don't wanna die in sweet, sweet flames

I don't wanna be your part time lover
I don't wanna play no silly games
I don't wanna be your special brother
Again, again, again

Oh, lonely days and lonely nights
I'm waiting for your call, that's right
Oh, should I stay or should I go
There is a place, oh, girl I know

Don't waiting for a star to fall
Oh, hundred times I tried to call
Oh, baby, why you telling lies
And try to break my paradise
