Oh, I'm waiting in the darkness
Hesitating in the darkness
Follow on your shadows in the night

I'm feeling it's burning
The point of no return, babe
Easy for two, baby, it's so hard for one

Princess of the night
(Of the night)
I'm drowning in the light
(In the light)
Princess of my dream
(Of my dream)
'Cause fire I feeling

Princess of night
What have you done
Baby, I know our day will come
Princess of night
Princess of day
When the night will fade away

Got a date, babe with an angel
With a hot child of the city
Follow all your shadows in the night

Oh, somewhere, there's someone
When two hearts beating as one
Easy for two, it's so hard for one

Princess of the night
(Of the night)
I'm drowning in the light
(In the light)
Princess of my dream
(Of my dream)
'Cause fire I feeling

Princess of night
What have you done
Baby, I know our day will come

Princess of night
Princess of day
When the night will fade away

Princess of the night
(Of the night)
I'm drowning in the light
(In the light)
Princess of my dream
(Of my dream)
'Cause fire I feeling

Princess of the night
(Of the night)
I'm drowning in the light
(In the light)
Princess of my dream
(Of my dream)
