If you break my heart  
A heart that ever, babe, loves you  
How can you mistreat?  
The one you love  
It's so true, I love you  
Stay with me tonight  
A heart will fall in love, that's right  
Oh, I never can lose  
I never can lose this old game  
It's the same  
Forever and ever again

Baby, save me - don't break me  
Be my forever, lady  
Hold me - don't break me  
Be tonight my love

Save me, please, don't break me  
Oh, baby, never fool me  
Save me, or you lose me  
You'll never, babe, deceive me

You're the one I want  
Oh, you need love, like I do  
You can hurt me more than  
I'll never, baby, feel brand new  
That it's true  
My heart belongs to you  
And my heart cries just for you  
Oh, I never can lose  
I never can lose this old game  
It's the same  
Forever and ever again
