SMS, SMS  
SMS, SMS

You are so far, oh like a star  
Oh I feel inside, I miss you tonight  
Do anything to make your mine

A lonely night, the stars shine bright  
I have an idea to have you near  
Here just by my side

Send me a little SMS to my heart  
Send me a little SMS like I do  
Oh, baby I will never tear it apart  
'Cause my heart is missing you

Send me an S, send me an M  
Send me an SMS to my heart  
Send me an S, send me an M  
Send me an SMS and we try a start

Hey little girl, it's a lonely world  
Hear my SOS, babe, I confess  
Cannot live without your love

I'm lost in space, wanna see your face  
Wherever you be, send some words to me  
Send a message to my heart

Send me a little SMS to my heart  
Send me a little SMS like I do  
Oh, baby I will never tear it apart  
'Cause my heart is missing you

Send me an S, send me an M  
Send me an SMS to my heart  
Send me an S, send me an M  
Send me an SMS and we try a start

Send me a little SMS to my heart  
Send me a little SMS like I do  
Baby I will never tear it apart

'Cause my heart is missing you

Send me an S, send me an M  
Send me an SMS to my heart  
Send me an S, send me an M  
Send me an SMS and we try a start

SMS, SMS  
SMS, SMS
