Never say never, if you want to be clever
I'll die for you
And always and ever, we're staying together
Oh, that is true

I'm tossin' and turnin', 'cause my heart is burnin'
Tell me your heart will go on
And if you will be clever, it's always and ever
I'll die for you

Be my taxi, taxi girl
In my secret taxi world
Be my taxi, taxi girl
It's a strange and secret world

Taxi, taxi lady, just for one day
Girl, you make me crazy
Oh, come what may

Sexy, taxi lady, miss you tonight
Girl, don't make me crazy
Stay by my side

Never say never, this time is forever
I'll die for you
How deep is the ocean, I'll show you devotion
I'll cry for you?

I'm gettin' much stronger, I can't wait no longer
Tell me this love will go on
And if you will be clever, it's always and ever
I'll die for you

Be my taxi, taxi girl
In my secret taxi world
Be my taxi, taxi girl
It's a strange and secret world

Taxi, taxi lady, just for one day
Girl, you make me crazy
Oh, come what may

Sexy, taxi lady, miss you tonight
Girl, don't make me crazy
Stay by my side
