Roger, roger. Calling, calling, roger, roger, can you read me?

78-78-9, 78-78-9, do you read me? Roger, major!

This is Modern Talking spaceship 1998,
we need authorization to land.

Major, major? Landing co-ordinations.

We are now ten seconds from countdown
(touchdown?).

Ten, nine, eight, seven, six, five, four, three, two, one.
Engage the blast off (engage for landing).

Keepin' the chance of rain calling cloudy skies,
but we're gonna see if we can make the sun shine
anyway.

Right here on a station that pays,
if you want the hits, the whole hits,
and nothing but the hits... on your FM dial, keep it right
here, baby.

Modern Talking! 'Cheri Cheri Lady'!

And it goes down... like that. Come on!

CHERI CHERI LADY

The lady of my life is out,
and when you feel the real deal,
giving you nothing but sex-appeal.

You steal my mind, I love the way you do me,
break it down to the sound of 'Brother Louie'.

...Brother Louie!

BROTHER LOUIE

Check it out, check it out, here we go, let me say it.

Tax on wax make the brothers wanna play it.
to the front, to the front, to the back, to the back,
to the hip, to the hop, to the rhyme, to the rap.

Every single line on thumb you admire,
stays in your brain like earth, wind and fire.

I take you higher, fairly you desire,
I'm not a liar, I roll like a tyre!

YOU CAN WIN IF YOU WANT

98.7 on your FM dial! You're listening to Modern
Talking,

and this is "Doctor For My Heart"! Break it down!

DOCTOR FOR MY HEART

Watch yourself five thirty in the morning,

get out of bed and then I join in.
Straight to the bathroom to wash my face,
into my surprise there's no toothpaste.
GERONIMO'S CADILLAC
SWEET LITTLE SHEILA
Move in the air with the sounds that you like to hear,
Modern Talking back for 1998!
We're doin' it live on your 98.7 station.
Pump up the sound, pump up the bass,
in your face, as we move the whole place.
Pump up the sound, pump up the bass,
in your face, as we move the whole place.
Modern Talking's in the house. Modern Talking's in the
house. Modern Talking's in the house.
Everybody, wave your hands in the air, come on!
ATLANTIS IS CALLING
Here we go, y'all! Everybody in the whole house,

IN 100 YEARS
Well, a-hip, a-hop, a-hippi to the hippie,

Now what you hear is a modern sound, and we're
