Tell me now, how do you survive
In your lonely, lonely life?
Together we just can do it right
Together side by side
The more you give, the more you get
It is not a dream
You're getting more than it seems

Oh baby: we, we are the children of the world
Can't you see, every boy and every girl
We can do, we can do, we can do it again
If we have a helping hand
Baby we, we are the children of the world

Tell me now, there's a chance for love
Are you sure you have enough?
Together we just can do it right
If god is on your side
Cause we have passion, we have pain
It is not a dream
Together we will win
