We'll take the chance we'll win again  
It's our dream and you will see  
We'll go hand in hand

I know we're here but I feel, we're not alone  
Millions of people are waiting, in their home  
Seeing the winners and losers, they're always in our  
hearts  
Oh everybody's waiting, waiting for the start

We'll take the chance, we'll win again  
I know my dream, it will come true  
We'll take the chance, don't lose the game  
It's a game for me and you

We'll take the chance, we'll win again  
I know we're going hand in hand  
We'll take the chance, and we are friends  
For a game that never ends

I know we're high and we're low, and just between  
We're feeling the fire of heart's, like a dream  
We're living in deep emotion, we're fighting with our  
hearts  
Oh everybody's waiting, waiting for the start

We'll take the chance, we'll win again  
I know my dream, it will come true  
We'll take the chance, don't lose the game  
It's a game for me and you

We'll take the chance, we'll win again  
I know we're going hand in hand  
We'll take the chance, and we are friends  
For a game that never ends

We'll take the chance, we win again  
It's our dream, and you will see  
We'll go hand in hand

We'll take the chance, we'll win again  
I know my dream, it will come true

We'll take the chance, don't lose the game  
It's a game for me and you

We'll take the chance, we'll win again  
I know we're going hand in hand  
We'll take the chance, and we are friends  
For a game that never ends

We'll take the chance
