Who will be there?
Who will be there?

The rain is getting stronger, I listen to the rain
And I can't wait no longer, oh please, come back again
If I could live forever, baby, I will live with you
If we can't be together, baby, I will die it's true

Who will be there when the lights go out?
Who will be there, my heart cries loud
Baby, I swear that I'll be there
If you need me

Who will be there when I'm alone?
Who will be there, where is my home?
Who will be there, it's so unfair
Stay by my side

Who will be there?
Who will be there?

The summer was oh magic, oh, baby just we two
Now times are getting tragic and lonely without you
Oh, when my heart is cryin', baby oh, it cries for you
And if our love is dyin', baby, I will die it's true

Who will be there when the lights go out?
Who will be there, my heart cries loud
Baby, I swear that I'll be there
If you need me

Who will be there when I'm alone?
Who will be there, where is my home?
Who will be there it's so unfair
Stay by my side

Who will be there when the lights go out?
And when my heart cries loud
And if you need me

Who will be there when the lights go out?
(Who will be there?)

Who will be there, my heart cries loud
(Who will be there?)
Baby, I swear that I'll be there
If you need me

Who will be there when I'm alone?
Who will be there, where is my home?
Who will be there, it's so unfair
Stay by my side

(Who will be there?)
Who will be there?
(Who will be there?)
Who will be there?
