Who will love you like I do
Who

Oh, no matter where you are, you'll be my lucky star
Oh every night, everyday, babe what can I say, oh, oh
I love the way you smile, I hate to wait a while
Oh every night, everyday, tell me there's a way

And I swear you
Baby I swear you
Hey you, oh baby
Hey you, drive me crazy

Who will love you like I do
Who will make your dreams come true
Keep shining, keep smiling, baby

Who will love you everyday and night
Who will kiss you in the morning light
Keep shining, keep smiling, baby

Oh, no matter what I do, oh, I do it just for you
Oh every night, everyday, baby if you stay, oh, oh
Maybe I'm wrong tonight, but maybe I'm so right
Oh every night, everyday, come hear me pray

Oh, I swear you
Baby I swear you
Hey you, oh baby
Hey you, drive me crazy

Who will love you like I do
Who will make your dreams come true
Keep shining, smiling, baby

Who will love you everyday and night
Who will kiss you in the morning light
Keep shining, keep smiling, baby

Who will love you like I do
Who

Who will love you like I do
Who will make your dreams come true
Keep shining, keep smiling, baby

Who will love you everyday and night
Who will kiss you in the morning light
Keep shining, keep smiling, baby
