They said, "Oh yeah, it's a tough world  
You're restless and you're young"  
I said, "Oh girl, it's a good twirl  
And your time will come, your time will come"

They said, "You came from the wrong side  
He's a page from the end of the book"  
I said, "You came from the right side  
Took me just one look, then you understood"

With a little love, you will survive  
With a little love, you will get by  
Do what you want, go your own way  
'Cause it's your life

Life  
With a little love, you'll make a start  
Yeah, why lovers break each other's heart  
Do what you want, go your own way  
'Cause it's your life

They said, "No future, forget it  
You came from the wrong side of town"  
I said, "Don't listen, don't let it  
Let it bring you down, make you wear a frown"

They said, "Oh, let him down easy  
Laugh at the heart you have won"  
I said, "That life is for living  
Like the morning sun, it had just began"

With a little love, you will survive  
With a little love, you will get by  
Do what you want, go your own way  
'Cause it's your life

Life  
With a little love, you'll make a start  
Yeah, why lovers break each other's heart  
Do what you want, go your own way  
'Cause it's your life

With a little love, you'll make a start  
Yeah, why lovers break each other's heart  
Do what you want, go your own way  
'Cause it's your life

With a little love, you'll make a start  
Yeah, why lovers break each other's heart  
Do what you want, go your own way  
'Cause it's your life
