You and me
And all the lights deep inside,
Iâ€™m sharing all my love with you,
Oh, I know I canâ€™t live without you, girl
I canâ€™t live without you

Take me away, make my day
Every time I see your face,
Oh, I know I canâ€™t live without you, love
That , I canâ€™t live without you.

Thereâ€™s one live to live
And one heart to give,
Lend me that you need, buddy
He just turned out the light,

You and me, dreams are free
Just a woman and a man but you and me
Canâ€™t you see that Iâ€™m doing what I can
But you and me, ecstasy
And I never want to lose you to the end of the world
But Iâ€™ll stay by your side

You and me, Oh I feel
Like enormous mate for lonely
You and me, oh itâ€™s real
Youâ€™re my one and youâ€™re my only
You and me, memories
Of the love thatâ€™s never ending to the end of the world
For Iâ€™ll stay by your side

Itâ€™s getting late, and I canâ€™t wait

The ocean beating in my heart
Oh, I know I canâ€™t live you without you, girl
I canâ€™t live without you.

Called your name, again and again
I lose myself, my self control.
Oh, I know I canâ€™t live without you, love
That I canâ€™t live without you.

There's one live to live
And one heart to give,
Lend me that you need, buddy
He just turned out the light,

You and me, dreams are free
Just a woman and a man but you and me
Can't you see that I'm doing what I can
But you and me, ecstasy
And I never will want to lose you to the end of the world
But I'll stay by your side

You and me, Oh I feel
Like enormous mate for lonely
You and me, and it's real
You're the one and you're the only
You and me, memories
Of the love that's never ending to the end of the world
For I'll stay by your side
