You packed your things in a carpet-bag

Left home - never looking back.
Rings on your fingers
paint on your toes

music wherever you go.
You don't fit in a small town world

But I feel you are the girl for me.
Rings on your fingers
paint on your toes

You're leavin' town where nobody knows.

You can win if you want
if you want it you will win

On your way you will see that life is more than fantasy.
Take my hand
follow me
oh

you got a brand-new friend for your life.
You can win if you want
if you want it you will win

Oh
come on
take your chance for a brand-new wild romance.
Take my hand for the night and your feelings will be
right
Hold me tight.

Oh
darkness finds you're on your own

Endless highways keep on rollin' on.
You are miles and miles from your home

But you never want to phone your home.
A steady job and a nice young man

Your parents had your future planned.
Rings on her fingers
paint on your toes

That's the way your story goes.
You can win if you want
if you want it you will win
...

You can win if you want
if you want it you will win

Oh
come on
take your chance for a brand-new wild romance.
Take my hand for the night and your feelings will be
right

Hold me tight.
You can win if you want
if you want it you will win
