A black banner
The groaning winds
A distant time
A forgotten path

Vast indifference
Dolorous hope
A treacherous mask
the truth hidden

Blackened inside
Void of emptiness
Oh sweet death
How I crave thy kiss
Death would be
Such a relief
(Oh, please take me)

The black birds fly
Above leafless trees
A gray sky
A cloudy landscape

Blackened inside
Void of emptiness
Oh sweet death
How I crave thy kiss
Death would be
Such a relief
(Oh, please take me)

Deep and cold
I can't feel you
I keep pretending
Trying to understand

The end approaches
The ever black
Closer each day
Without care

Blackened inside

Void of emptiness
Oh sweet death
How I crave thy kiss
Death would be
Such a relief
(Oh, please take me)
(Oh, please take me)
