I celebrate human death
By hanging your bloody corpse for display
My revenge was fulfilled upon this day
You must die in a deep suffering

Orgasmic chill is on its way
As i put your body away
But soon i need more candid flesh
To restore my soul at its best

X2
Don't worry dirty whore
Don't cry for your soul
Your pure body is all I covet
Your pure body is all I covet

I celebrate human death...
I celebrate human death...
I celebrate human death...
I celebrate human death...

I celebrate human death
By strippin' your flesh to the bone
With your skeleton i won't feel alone
You must die in a deep suffering

Orgasmic chill is on its way
As i put your body away
But soon i need more candid flesh
To restore my soul at its best

X2
Don't worry dirty whore
Don't cry for your soul
Your pure body is all I covet
Your pure body is all I covet

I celebrate human death...
I celebrate human death...
I celebrate human death...
I celebrate human death...
