You, You You  
I'm in love with you, you, you  
I could be so true, true, true  
To someone like you, you, you

Do, do, do  
What you oughta do, do, do  
Take me in you arms, please do  
Let me cling to you, you, you

We were meant for each other  
Sure as heavens above  
We were meant for each other  
To have, to hold and to love

You, you, you  
There's no one like you, you, you  
You could make my dreams come true  
If you say you love me too

[Instrumental Interlude]

We were meant for each other  
Sure as heavens above  
We were meant for each other  
To have, to hold and to love

You, you, you  
There's no one like you, you, you  
You could make my dreams come true  
If you say you love me too
