Now Jim and Tammy Bakker there's a real earth shaker  
Got popped for havin' too much fun  
Started actin' kin of funny, spent everybody's money  
But he got thirty years for his day in the sun, he got

Carried away, he's an excitable boy  
Carried away, there ain't no coppin', no stopping when  
you're carried away

Now we all shouted reveille when my brother Stevie C.  
Said the "SÂ" word in a magazine  
Now he shouldn't had a done it, but they shouldn't had  
a run it  
Cause a little bitty think can cause a great big scene

Carried away, tryin' to speak his mind  
Carried away, that boy was right on time  
There ain't no coppin', no stoppin' when you're carried  
away, topper!

Well now you better be believin' when they open up the  
ceilin'  
Baby, somethin'gonna hit the fan  
Now brother I ain't lyin', we'll all commence to flyin'  
And we'll land, ping ding, in the promise land and get

Carried away, you best believe  
Carried away, we'll all commence to leavin'  
Cause there ain't no coppin', no stoppin' when you're  
carried away
