I come from the school of hard knocks daily  
But I ain't nobody's fool  
And it might seem crazy  
I got to justify, But I know  
You're always gonna be around  
Yeah I know  
Whenever I'm in trouble  
You're on the double somehow

(Chorus)

I wanna be like You  
Oh won't you show me everything  
I want the world to be looking at You  
When they're looking at me  
I wanna be like You  
I wanna do all the things that you do  
I don't want to be like any other man  
I just wanna be like You

I'm headed stright for the top  
Can't stay in the middle  
No, I ain't gonna stop, Can't even slow down a little  
But I know  
Life ain't always what it seems  
Yeah I know  
That when I just can't take it  
I know I'll make it, When you pull me through

(Chorus)

Cause you're my hero  
Oh Yeah  
You can count on me Lord  
To follow everything You do
