John Wayne kind of swagger with a Henry Fonda smile  
He hang out on the corner, he hang out on the street  
All the homies come around him when the brother  
starts to preach

He got a vision, or haven't you heard

CHORUS

Man with a mission- he's out on the street  
Man with a mission- he's walkin' the beat  
Man with a mission- the deacon of souls  
Man with a mission  
Man with a mission of love

He got to preach what he feel down in his soul

Chorus

If he meets you on the corner he will greet you with a  
smile  
He'll be preachin' in the neighborhood to pray you  
through in style  
When he leads you up to Calvary you will find your  
heart's desire  
He will slay you in the spirit with the Holy Ghost and  
tongues of fire

Chorus
