(Chorus)

They call me Jumpman  
I rock them new jays  
whats on your neck bro?  
like 22 kays  
when will you be rich?  
in 22 days  
How do you make the money?  
I gotta few ways  
(x2)

(first verse) ACE

I got fresh bread, it is never stale  
Im straight to the point like a digital scale  
brought work to school like co-op  
and i always bring the heat, but i dont talk to no cops  
i make big cake like a tall baker  
your in the background like wallpaper  
this is not mastered it was just mixxed  
on wax for your ears like q-tips  
hoes wanna hang out like a clothes line  
so i bang em then i tell em get lost like no sign  
i got hard without male enhancers  
and im so smooth like a head with cancer

(chorus) (x2)

do you smell that ?  
slite gain wiff  
white paint piff  
bright late lift  
lightweight sniffed  
nice date swift  
tite great stiff  
bite wait spit  
dry grade lit  
tie died mixxed  
ride str8 fixxed  
for those high way chicks  
that are driveway pissed

well my ways this  
buy jay kicks  
grind pray frick  
rhyme weigh zip  
lime grape or nip  
pry legs quick  
sly swag slick  
"bye" drag dip  
why brag lip?  
lie nag trip  
spy tag yip

(chorus) (x2)

(third verse) ACE

aayo, if your slangin then lets go  
while i hang in my ecko  
with a bag full of smarties if your bangin to techno  
wheres the party smarty? we can start with a 40  
then end with an orgy  
it depends if your horny  
undo my belt hunny and drop my drawrs for me  
export a hundi  
dresser drawrs full of money  
cutting boards full of yayo  
gotta bitch tucked in the bed and  
im cutting the coke with ephedrine  
the prices are to pricy  
it might seem sheisty  
my bitches act feisty  
so dont say nothen unless your sayin it nicely  
my currency accumulates  
currently im used to hate, purposely refuse to weight

(chorus) (x4)
