(first verse)

Cuddle up girl  
i know your loven that  
i need some morphene just to cuddle back  
i got insomnia from all of these double stacks  
you dont like when i smoke blunts  
i better spray the axe  
go take a nap  
ill be back in a couple secs  
with codiene and percusets  
then well have the roughest sex  
i dont want to leave her  
but i gotta make night moves  
call me Bob Segar  
I let her call me loser  
if I can call her Dummy  
because shes so much cuter when she thinks that shes  
funny  
and i love when she laughs

(chorus) (x2)

Armani belt buckle  
shorty unclasped it  
get it hard mami  
yea thats it  
yea thats it  
get it hard mami  
yea thats it  
(second verse)

girl you got my full attention like a panasonic 62 inch  
high definenition with surround sound stereo systems  
i lay you down on the couch and all i wanna do is listen  
i aint payin attention to whats on the television  
were just kissen  
her head close to my heart on my shoulder  
she would be my wife if i was a couple years older  
I even let her hold the remote controller  
i never try to control her  
i told her, she can do whatever she wants  
as long as she stays over

she smiled and got closer  
girl im your comforter when you get colder  
call me up and pull me over your body  
ill get on top  
we can roll play baby  
pretend that im a cop  
and your a naughty girl who just got caught  
and wont stop until the charges are dropped  
make it drop baby  
make it drop lady  
you know ill like it, you know ill like it  
make it drop  
until the charges are dropped  
i got a thing for her and it will not stop  
(chorus) x2
