(chorus)

Ill give you an option  
whats the occasion?  
you can be watching  
through the standing Ovation  
your on the sidelines of mind  
i gotta get mine  
(x2)

(first Verse) ACE

Ace the great  
I keep an 8 like ovechkin  
and if I lose weight, blame the recession  
makin connections like a modem  
im so d.I, youd have to download him  
from windsor to b.r to st.jocem  
I got em rollin like some double stacked channels  
i make them ask themselves "what is it that haskell  
sells"  
peter piper picked up a pack pills  
how much profit did peter piper make a pop if he got  
em for a buck  
a piece then sold them for 10  
thats an increase of 90 percent  
moved to the east payed may, june and julys rent  
gotta couch with a pull out bed  
pull it out and skeet  
im smoken blunts from a fold out chair on the balcony  
talk calm on the phone like don carleone  
because we might barge in there homes  
crow bar to the dome

(chorus) (x2)

(second verse) ACE

you better pull it when its time to ride  
cuz im the type of guy to dip the bullet in the cianide  
for just a "piece of mind" dog its a piece of pie  
and grampa kept a pistol in his cabinett  
with a full box of AE's  
if i need to grab it  
keep a shank just incase the club gets crowded  
jab it in and twist

now your abdomen is ripped  
don't stop until he stumbles and he slips  
slits can't be fixed by scabs or gettin' stitched  
now I'm laughing while you twitch  
then I'm back to gettin' rich or just mackin' on a bitch  
Fatal Division is camouflaged in camouflages  
who's got the snips?  
got sacs the size of Santa Clauses  
don't worry what the cost is  
got broads working for the chop, hold it in their crotch  
and give massages  
I'm so sick I'll leave you nauseous and when the light hits  
my watch  
it's sort of abnoxious  
(chorus) (x2)  
Fatal Division 2009
