>A ship floating all alone
On a sea of tears
I washed up on your shore
You took away my fears
I hope were stranded here
For years and years

I found someone whos got me understood
Some one who promises to treat me good
Until forever, for-ever

I've got the world
I have it all
In your arms [wraped in your arms]
The only place I want to fall,
Is in your arms [wraped in your arms]
Just keep me safe and warm
And wrap me in your arms

Walking in the park
Were just holding hands
Sharing these growing pains
I know you understand
The thought of being without you
Makes me so so sad

My night in shinning armor rescues me
Proffesing love for me so galintly
Until Forever, for-ever

I've got the world
I have it all
In your arms [wraped in your arms]

The only place I want to fall,
Is in your arms [wraped in your arms]
This feeling is so strong
baby wont you
[wrap me in your arms]
Just keep me safe and warm
baby wont you
[wrap me in your arms]

The only place that i belong
is wraped up in your arms

I dont feel a thing when you protect me
I'm not afraid, afraid at all
I'm not scared
Wraped up in your arms

I've got the world
I have it all
In your arms [wraped in your arms]
The only place I want to fall,
Is in your arms [wraped in your arms]
This feeling is so strong
baby wont you
[wrap me in your arms]
Just keep me safe and warm
baby wont you
[wrap me in your arms]
The only place that i belong
is wraped up in your arms
