Adore U
I do, I do, I do
And everything I am I would give to you
My love, my love, my love
And everything I pretend to be I will own up to
I will crown you, and drown in this your

(blue glistening waterfall)
Nothing quite like it
(the wind on my paper boat sail you are)
The trigger on my gun

Adore U
I said, I do, I do, I do
And everything I am I would give to you
My love, my love, my love
(don't ever walk away)
(don't ever walk away)
I said don't ever walk away

(ooo you take me high
so high that I cannot come down
I feel like I can fly
I have my wings and I have no secrets)
And even if I am pretending
Of which I have a tendency to
I'll admit it to you and drown in this your

(blue glistening waterfall)
Nothing quite like it
(the wind on my paper boat sail you are)
The trigger on my gun

Adore U
I said I do, I do, I do
And everything I am I would give to you
My love, my love, my love

I Adore U
(don't ever walk away)
I said I do, I do, I do
And everything I am I would give to you

(don't ever walk away)
My love, my love, my love
(don't ever walk away)
I said don't ever walk away

I Adore U
(don't ever walk away)
I said I do, I do, I do
And everything I am I would give to you
(don't ever walk away)
My love, my love, my love
(don't ever walk away)
I said don't ever walk away
(don't ever walk away)
