Yes it was a love to die for  
The monster that you are never scared me  
I dared you to dare me  
And now you're permanently scarred  
Well I'm through with you  
Treating me like you do  
My heart belongs to someone else now  
And I'm a fairy, I sparkle,  
Look at my eyes, I'm in love  
Are You Jealous?  
Are You Jealous?  
Are You Jealous?  
Are You Jealous?  
Don't make me your enemy  
Don't make me your enemy

Well I'm just about as happy as I can be  
His love is like a waterfall  
Wet and bare like nothing all over me  
Pure heaven  
And he buys me flowers  
They don't wilt  
He doesn't have temper tantrums  
Begging me back  
He tells me I'm a princess,  
He's the best, I'm in love

Are You Jealous?  
Are You Jealous?  
Are You Jealous?  
Are You Jealous?  
Don't make me your enemy  
Don't make me your enemy

I'm not your enemy  
I'm not your enemy

Yes it was a love to die for  
You never thought I'd leave  
Never thought I'd leave  
Those heavy arms around my neck  
So watch me go

And look at me  
I'm satisfied  
I'm satisfied  
Tell me how do you feel  
When you look into my eyes?

Are You Jealous?  
Are You Jealous?  
Are You Jealous?  
Are You Jealous?  
I'm not your enemy  
I'm not your enemy  
I'm not your enemy  
Are you?  
Are You Jealous  
Are You Jealous

Don't make me your enemy  
Don't make me your enemy  
Don't make me your enemy  
(satisfied, satisfied..)
