Free spirited young man
Why did you have to grow
From a sparky little jewel
Into something so pointed and cold
Cold feet
And then I do a runner
I couldn't breathe
Coz you had the power
And I feeled sorry for you
Coz you don't bother me
And coz I'm in control now
I Dare You To Kill Me
I've erased all your twisted ways
From my memory
And coz I'm in control now
I dare you, I dare you
You're gonna have to kill me

(ooooooo, oooooo
ooooooo, ooooooh)

I could forgive you
But then I would say that, wouldn't I
I wasn't jaded back then
And I still had a twinkle in my eye
But funny how it is with a hand around your neck
And a pounding in your chest
What thoughts you have..
"I haven't been to India yet"

And I feeled sorry for you
Coz you don't bother me
And coz I'm in control now
I Dare You To Kill Me
I've erased all your twisted ways
From my memory
And coz I'm in control now
I dare you, I dare you
You're gonna have to..

I haven't been to India yet, no no
I haven't been to India yet

Free spirited young man
Why did you have to grow
From a sparky little jewel
Into something so pointed and cold
Cold feet
They took me on a runner
And now I can breathe
Coz I have the power..

And I feeled sorry for you
Coz you don't bother me
And coz I'm in control now
I dared you to kill me
I've erased all your twisted ways
From my memory
And coz I'm in control now
I dare you, I dare you
You're gonna have to kill me
