"Never Enough"

If we are absolutely still
Then maybe the world will stop
And the time will spin around us
On the outside of us
Hidden from the day
To be reckless again
I will wait for you
I will reach into your lie
And carry you into mine
Never enough
Never enough
Now I am a prisoner
Desperate times
Is never enough
Garden for my love

Oh, my eagerness lets me fall
Oh, only you can reveal it all

If we are absolutely still
So maybe the world will stop
And the time will spin around us
On the outside of us
Hidden from the day
To be reckless again
I will lay with you
Love you like I do
I will read your lips
I await your fingertips

Never enough
Never enough
Now I am a prisoner
Desperate times
Is never enough
Garden for my love

Never enough
Never enough
Desperate times
Is never enough
Never enough

Desperate times
Desperately, see my heart is open and wide
Desperately, see I've got nowhere to hide
Never enough
Desperately, see my heart is open and wide
Desperately, see I've got nowhere to hide
