You are the stars above my head  
You are everything, I've no safety net  
And I accept I'm addicted to this kiss  
Breathless and intense  
You consume me like you've found a growing space  
And I have no defence  
Then my radar sends a warning  
Trying to numb my soul  
Trying to keep control  
But I'm falling  
Yes I'm falling  
The resistor has been breaking down inside me  
The resistor has been breaking down inside me

You are the stake I'd never bet,  
Until I had this dream we were wed,  
And it was something I felt quite easy about  
Funny that, I'm not scared, not a bit  
Of giving everything for the first time

Then my radar sends a warning  
Trying to numb my soul  
Trying to keep control  
But I'm falling  
Yes I'm falling  
The resistor has been breaking down inside me

(it's too late, it's too late  
it's too late, it's too late)  
(it's too late, it's too late  
it's too late, it's too late)  
(oh aah aah, ooo)

Then my radar sends a warning  
Trying to numb my soul  
Trying to keep control  
But I'm falling  
Yes I'm falling  
The resistor has been breaking down inside me  
(then my radar sends a warning)  
Trying to numb my soul  
Trying to keep control

But I'm falling  
Yes I'm falling  
The resistor has been breaking down inside me
