“Psyche Stain”

By Aaron Vehling

11-28-2003

I’d imagine you could see  
A terrible biopic in this dream  
I only wish that it’d let me be  
At night is the only time that I want  
Peace

Take me down to where you rest  
Let me get my sins off my chest  
There’s only one thing that you  
Need to know  
When I grasp you in my arms  
I’ll destroy your soul  
Why must I be this way?  
Why must I be this way?  
Why can’t I just stay?  
And be tender to your needs again?  
I just need to stay  
Why can’t I be this way?
